I do not see any necessity for hearing the Case.—

2. In the matter of Kodagi lands, the Ryot is entitled to half the survey assessment he must have it.—

3. As regards Raval lands, they were granted for grazing purposes only. We must ascertain the pleasure of H.H. the Maharaja whether he wishes to retain the lands as Raval, or may be treated as Inam or exempt in the ordinary course, & act accordingly in his decision. ~~Under any~~ Certainly they are not liable to assessment.

There seems to be no doubt on this point. The question is not have arisen but for enhanced survey valuation.

1. The Kodagi Inam was granted in 1828
Eventually
The orig. intention was to grant a land
Inam but that intention was apparently not carried
out owing ~~to the~~ probably to the growth of
private OC cultivating Rights.

2 The Rules of 23 Jans 1917 have the force
of Law. When the Inam Dept
Came to Enforce these rules in this
Case they found a Many Kodagi
Inam & not the usual land
Kodagi Inam & they applied
to the Case Rule I (which
prescribes ½ quit rent)

3. ~~2 Division~~ ~~In the normal Course of Events~~
In any ordinary normal case
the Grantee ~~of 1828~~ wd have got ~~to~~ ½
Of the entire cultivable area as Inam
~~The land patented~~ and like other Inamdars
wd have had himself to bring it all
under Cultn. ~~himself~~. If the Inam
Dept. ~~found~~ in 1880 found him as
the holder of this land they wd
Enfranchised the land
have ~~declared~~ merely ~~imposed~~ upon
him ½ quit rent ~~as~~ in Commutation
of his Obligation to maintain the
tank. But in this particular Case the

Grantee was treated with special favor,
for he was promised ½ the land
after the same shd have been
brought under Cultn by Others.

This promise was not
Carried out, & it became impossible
to do so after introduction
of Negatigat & consequent
Creation of Contradictory
Rights.

Abstract of petition addressed to the Dewan of Mysore by Ramji Rao Shenkedar of Devaparta -varaj Bahadur's Household

---

Boray Kaval, Hindu Kaval & Vulgay Kaval all situated in Hirkal village of the Mysore Taluq were granted to Devaparta varaj Bahadur by H.H. the late Maharaja in 1871 which were ever since enjoyed as Inam. In survey settlement Boray Kaval & Hindu Kaval were assessed at Rs 256+ while Vulgay Kaval was classed as Kharab. All this was done without the knowledge of the Household. The Amildar has prohibited

the grazing of cattle in
Valgam Kavals. A petition was
addressed to the Dewan requesting
that the assessment may be
cancelled & quit-rent imposed,
& also that grazing may
be permitted. The Chief
Secy has since seen the
reports on the subject.

Byja Samuel of 1828
Singambadi tank was granted
to Devasarthi vara Bahadur
or Kodji by H.H. the late
Maharaja who ordered that
½ the extent of land under
the tank should be given
to Devasarthi vara Bahadur
& he requested that either
½ the land may be given
under the tank as ordered,
by imposing quit-rent
but or ½ the total amount
of the kuru-assessment paid
on the entire extent of
land paid to the Household.

3. The petitioner further
requests that the assessment
paid on account of the
above Kavals may be
refunded.

From, G. F. Micklejohn Esquire
Deputy Commissioner

To, The Chief Secretary to the
Government of Mysore

Sir,

With reference to Official Memorandum No 628 dated 25th September last, forwarding for full enquiry and report a petition from Ranga Row, Sheristadar of Devapartiva Raj Bahadur, I have the honor to submit the original papers ending with Mysore amildar's report No 1066 dated 7 instant, and the depositions of the Sheristadar and Shanbogues taken before me.

2. As regards the 1st point (Kavul and Valgne lands in the Hirikul village) - These Kavuls as per Sanad of His Highness the late Maha Raja dated 27 December 1867 were granted to Devapartiva Raj Bahadur for grazing his cattle free of rent and this privilege was enjoyed by him,

from that time upto Survey settlement in 1887.

3. During the Survey settlement the Kavuls were measured into 20 small numbers, having a total area of 249a-13y assessed at Rs 241. The Valgre Kavul was not measured but included in the tank as being part of its bed.

4. Devapattinakari Bahadur complains that these Kavuls having been granted Klein for free by His Highness the late Maharaja should not have been assessed.

5. On a similar complaint brought before the late Deputy Commr he referred the matter to the Superintendent of Inams, asking to be informed why these lands should not be treated as "Crown lands" and exempted from Kandayam. To that reference the Inam Superintendent has replied that the question of assessing the "Crown lands" was submitted for the orders of Government by him in docket no 97 dated 27th December 1880, but that no reply has been received

See copy sent 20

On receipt of the above reply Mr. Anandarow issued orders to recover the full amount of survey assessment from Devapattiva Raj Bahadur until orders to the contrary should be received from Government. On this order the assessment is being recovered.

6. As the question about Crown lands is pending disposal before Government, the claim of Devapattiva Raj Bahadur may also be conveniently settled with that.

7. As regards the 2d point (Claiming excess in Kodagi lands), Devapattiva Raj Bahadur claims a moiety of the assessment of the wet and garden lands granted also by His Highness the late Maha Raja in the year 1826 and which he enjoyed up to 1880. When the Inam Settlement was introduced half the average of the ten years wet and garden assessment has been calculated to be Rs 85-8-2 and a fourth of this Rs 21-6- has been fixed as Quit Rent and Devapattiva Raj Bahadur was being paid half the amount

realisation deducting the quit rent
that is R 85-8-2 — 21-6 = 64-2-2
every year, from 1880 up to 1887, the
year in which Survey settlement
was introduced, through the Taluk
authorities. From that time the
amount is being paid on passed
bills as per Government order no
1875-76 of 30th November 1886. In the
accounts prior to Survey settlement
it has been shown in the Kulvan
Khate that half the assessment was
due to Government and the other
half to Devapartthiva Raj Bahadur.
8. During Survey settlement the
wet and garden assessment under
this tank has increased to R 475-11-4
and Devapartthiva Raj Bahadur
contends that as per original Sanad
he should either be given half the
extent of the lands as Inam or
half the assessment realised from
the wet and garden lands under the
tank.
9. As Inam valuation is always
subject to Survey valuation —

Devapaittiva Raj Bahadur's contention seems not unreasonable.

10. The petition with its enclosures received with the Memorandum reply are herewith returned.

I have the honour Sir,
Your most obed.t Servt.

Abstract of papers relating to Kodigi Inam lands (tailor Lingayatoo) in the Mysore Taluk in the enjoyment of Devaparthivaraj Urs Bahadur

The Amildar of the Mysore Taluk in his report of 21/3/88 to the address of the Superintendent of Inam Survey and Inam Settlements reported that entries in Inam Register would show that the Kodigi Inam lands in the holding of Devaparthivaraj Urs Bahadur below Lingayat Pankti were valued at Rs 85-8-2 of which Rs 64-2-

85-8-4
21-6-

were confirmed as Inam after deducting the quit Rent of Rs 21-6-4; that the existing system of collecting the assessment from the Occupants of the lands in question both on behalf of Govt as well as on behalf of Kodigidars separately without maintaining proper accounts for the latter created a good deal of confusion in the accounts besides giving ample room for the Shanbogs to commit fraud and lead to frequent complaints by the Kodigidars of non-receipt of their dues. The Amildar suggested that it would be more convenient to collect the full amount from the Potedars and credit the same to

Government and to disburse the amount due to Inamdars from the Govt Treasury by submission of a separate bill - He was told in reply to read the orders in the Inam Register converting the above lands into Ready Money Grant of Rs 64-2-0 & thereby carried out and that a Copy of the said Register has already been furnished to the Talook which may be referred to again -

Rec: 28 Apl 88

The suggestion of the Amildar was approved of by the Jamkhandi Officer forwarding these papers together with Extract from the Quit-Rent Register and also a bill for the amount due to the Kodigidars, the Amildar Solicited the instructions of the Dy Commr whether it would be necessary hereafter to submit 2 Bills one for Rs 21-6-0 to be credited to the Quit-Rent Register and the other for Rs 64-2 in favor of the said Kodigidars or only one bill for the latter amount would be sufficient since the full amount of collection would be credited to Govt - The bill was sanctioned and orders were issued to the Amildar that the Inam should be treated as Ready money grant under the Provisions of Govt Order 1875-76 & 30/11/75

Report No 4 10-9 10/8/88

The said Inamdars in their petition to the Dewan & 25 Sept 90 State that under the terms of the Sanad Granted by H.H. the late Maharajah in 1828 they are entitled to (both good & bad) one half of the extent of land below the said Lingambodi tank which they pray may be granted or they may be allowed one half of the assessment

With regard to the grant of Kodagi for the tank constructed by our Consort of Krishna Vilas in Palace, at a great Cost in the Malagala village of the Kasaba Hobli, as it is ruled that 1/5th of the portion will be given as Kodagi Inam if a breached tank is repaired;

that

that if an ordinary tank is constructed newly, $\frac{1}{4}$th of the portion will be given and that if a large tank is newly constructed at a great cost, $\frac{1}{2}$ of the portion will be given, and as this kind of concession has been granted to some people, our Consort of Krishna Vilas requested us to show the same consideration by granting $\frac{1}{2}$ of the portion of

the lands as Kodagi Inam with regard to this tank also, and to grant the Sannad in the name of Chirangivi Puttu Swamiy of our Lakshmivilas. Accordingly it is ordered as follows:-

All the remaining Atchkat Paddy lands under this tank after the grant of the 12 kinds of Inams such as Toti, Talari Nirganti &c, ordered

Read:—

Letter No. 739 dated 17th January 1895 from the Deputy Commissioner of the Mysore District, submitting a Statement shewing the particulars of Kodaji Inam land under the Lingambudi tank in the Mysore Taluk.

Order thereon. No. 20924 / R. 2980 0714.5.95

It appears from the Statement received with the above, that the average assessment realized on the Atchkat under cultivation under the Lingambudi tank for 10 years previous to the Inam ~~settlement~~, as per Superintendent's order ~~to~~

dated 9th June 1882 which
settled the Kodiej Inam
in question is. Rs 123-13-2,
while the copy of the Settlement
Register submitted by the
Inam Superintendent shews
that the average receipts
for the same period were
taken at Rs 85-8-2, and
deducting therefrom 1/4th
quit rent, viz Rs 21-6-0,
the balance of Rs 64-2-0
was confirmed in cash,
under the orders contained
in the late Chief Commissioner's
Pro: No. 9620/R43 & 4020/88 dated
20th December 1876 & 20th July
1877 respectively. The Deputy
Commissioner is therefore
requested to report which
of these figures is correct
and why the annual cash
payment at the rate of

Rs 64-11-0 was continued to be made to Devaparthiva Raj Bahadur in spite of the amount fixed during the Inam Settlement, and how the Survey Settlement affected the cash payment & reduced it to Rs 64-2-0 from the year 1887-88.

2. The Deputy Commissioner is also requested to report whether the revenue realized under this tank during the year 1887 is Rs 460-8-0 as exhibited in the Statement now submitted by him, or Rs 167/14/5 as reported by the Chief Engineer in his letter No 2835 dated 3rd July 1893. If the former figure is correct, the Dy Commr should ascertain & report how the latter figure was arrived at.
